

Dear Hiring Manager,

I am writing to express my interest in pursuing an internship opportunity with One Acre Fund. As a skilled IT support and software development professional with over 5 years of experience, I believe I would be a great addition to your team.

My educational background includes a degree in Software Engineering from Adventist University of Central Africa, as well as a diploma in Computer Science from Collegio Santo Antonio Maria Zaccaria. My experience includes working as part of a team at IT Devs Ltd where I contributed to the development of software solutions for the Engineering Department, and at Star Africa Media (STARTIMES) where I provided technical support to callers, resolved network issues, and led a team in calculating KPIs for employees.

In my current role as a Technical Support Engineer Level 2 and QM at Tek Experts (Microfocus Security), I am responsible for identifying security measures to improve incident response, responding to security incidents, and coordinating incident response across teams. I am also skilled in diagnosing and repairing technical issues, resolving network issues, and have strong communication and interpersonal skills.

I am fluent in both English and French, and I possess a strong work ethic, a positive attitude, and the ability to learn quickly and apply new technologies. I am confident that my skills and experience would make me an asset to your team, and I am excited about the opportunity to contribute to your organization.

Thank you for considering my application. I look forward to the opportunity to further discuss how I can contribute to One Acre Fund.

Sincerely,

Vierry Shema
